1.27 If you are importing fewer than 500 **NEW** vehicles or trailers per year (including the average person importing their personal vehicle on a one-off basis) that were manufactured on or after 1 January 1989 and your vehicle/s and/or trailer/s do not have a 17 character VIN, the Department of Infrastructure and Transport (the Department) will issue a VIN or VINs using the Department's specific WMI, '6U9'. NEVDIS will recognise that these are Commonwealth-issued VINs and will load them onto the database for registration purposes

- Fewer than 500 (proceed to part 1.28)
- 500 or more (If you are importing over 500 vehicles or trailers per year, you will need to arrange for your own WMI to be issued through SAI Global (refer vehicles imports webpage for further information). Once VINs have been issued, you may continue your application).

1.28 How many VINs do you require?

1.29 Please provide or attach a list of chassis numbers for the required VINs.
